

Photos from FAST in Romania

May 2015

Introducing Andrei and Ionela's new baby boy Stefan who was born in April.

Work continues steadily on the new Vocational Centre in Sacele!

Our new toddler group began at the beginning of May. We will have around 14 children coming every 2 weeks with their parents. Children play and learn and enjoy a nutritious snack. We hope to have this running on a more regular basis.

Both mums and toddlers enjoyed the toys

A new Mission House team member, Lidia, has been taken on full time as an apprentice for the next month. She is proving to be a great asset to the team and very confident with the children. She comes from the village Tarlungeni, which is a great advantage too.

Daniel and the boys visited Bolton College, Bolton at Home and Forrest UK, in March. The experience was unique and very helpful in understanding how our future Vocational Centre in Sacele could impact people's lives.

It was great to have our friend Mike Kelcey with us again last month. He spent a lot of his time helping the boys in Zizin.

The children from Garcin enjoyed a mini camp at our Centre this month.

The multimedia project, which takes place at the Integration Centre, helping teenagers from Garcin, held a photography presentation last week, displaying the talents of those involved. Beautifully done, Ruxi and team!

Our first ever volunteer from Argentina visited us in March. Gabi came through Children Helpers World Wide and enjoyed getting involved wherever was needed.

Your valuable support makes this work possible in Romania! Thank you!

Donations can be sent to FAST by cheque payable to:
FAST UK, 25 Osborn Road, Farnham, Surrey, GU9 9QT
